Software Engineer

Software Engineer with 3+ years of experience building web applications using React, Next.js, TypeScript and Django, shipped **30+ features** for an enterprise platform used by **1,000+ clients**, with a bug rate **under 2%**.

CORE SKILLS

Languages:	JavaScript, TypeScript, Python, PHP
Frontend:	React.js, Next.js, React Query, Tailwind CSS, Ant Design, Styled Components, Redux, Mobx
Backend:	Django, REST APIs
Database:	PostgreSQL, MySQL
Tools:	Git, GitHub, GitLab, DigitalOcean, Figma, Jira, Clickup, Cursor, Claude

PROFESSIONAL EXPERIENCE

Enigmatix Ltd

Apr 2023 – Present

Frontend Engineer

- Led development of **30+ features** across **Google Ads, AI Content, Keyword Intelligence, Site Audit and Domain Tracking** modules for an enterprise AI-powered marketing platform serving **1000+ clients**.
- Reduced production bug rate to **under 2%** by establishing thorough code review practices and implementing robust error handling across the codebase.
- Built and optimized UI components using **React, Next.js, TypeScript, React Query and Tailwind CSS**, improving page performance and consistency across the platform.
- Collaborated in Agile sprints, owning tickets end-to-end from scoping through deployment and post-release monitoring.

Dmarclytics (Part-time)

Nov 2024 – Dec 2025

Full Stack Engineer

- Built the company's public website and customer web application from scratch using **React, Django and PostgreSQL**.
- Developed **SPF, DKIM, DMARC, Domain Checker, Aggregate Reports and Email Investigation** modules covering the full email authentication and deliverability workflow.
- Designed and documented REST APIs, implemented JWT/OAuth authentication and managed DigitalOcean deployments independently.

Devfor

Jan 2023 – Mar 2023

PHP Intern

- Developed application features using **PHP and MySQL** for a Property Rental System.
- Automated property data collection using **Python and Selenium**, eliminating manual data entry entirely.

EDUCATION

BS Software Engineering

2020 – 2024

The Islamia University of Bahawalpur
